VI. INCLEMENT WEATHER

Every effort will be made to play scheduled games. If a game has to be called and at least the first half of the game has been played, then the game will be considered official. In the event of a washout of a whole day, we will go to an alternate schedule with shortened duration of games times. **NO REFUND WILL BE GIVEN IF PART (OR ALL) OF THE TOURNAMENT IS CANCELLED.**

VII. GAME CHECK-IN AND FORFEITURES

The game schedule for this tournament leaves little time between games. It is imperative that teams arrive for games well in advance and be ready to play and take the field immediately upon the completion of the previous game. Game time will begin at the scheduled start time!

VIII. JERSEY COLOR CONFLICTS

In the event two competing teams have like-color jerseys as their primary jersey, the team listed first on the schedule shall be considered the HOME team and MUST change to an alternate jersey color. Referees will make the final decision on what they consider to be "like" colors. If a jersey conflict occurs in the playoff rounds, the jersey color will be determined by a coin toss.

IX. POINT SYSTEM

The Tournament Directors will make every effort to schedule all matches. However, the Tournament Directors assume neither liability nor responsibility for matches when one or both teams forfeit a match. All matches declared a forfeit would be considered as “played” matches.

- | | | |
|-----------------|--------|--------------------------------------|
| 1. Win | equals | 6 points |
| 2. Tie | equals | 3 points |
| 3. Loss | equals | 0 points |
| 4. Goals | equals | 1 point each (maximum of 3 per game) |
| 5. Shut-out Win | adds | 1 point to winner |
| 6. Forfeit Win | adds | 10 points to winner |
| 7. Forfeit Loss | equals | 0 points to loser |

Groups with five teams will play a round robin format. Winner and runner up will be determined by points.

Tie breaking procedures (if two or more teams have the same number of points; preliminary rounds), the tie-breaking formula will be:

1. Head-to-head Game (this criteria not used if more than two teams are tied).
2. Most games won.
3. Net goals (goals scored minus goals allowed, with a maximum of 3 per game + or -).
4. Fewest goals allowed in tournament.
5. Most goals in tournament, maximum of 3 per game.
6. Most wins by shut-out in tournament.
7. Kicks from penalty mark using modified FIFA rules. (Modification – any player eligible for the next match may take the kick).

There will be no overtime or penalty kicks for games within a flight, which end regulation time in a tie.

For **semi-final games** a five-minute rest period will be given before play resumes. During that time, referees will again have a coin toss for kick-off. A five-minute “sudden victory” period will be played. First team to score wins. After first five-minute scoreless period, **NO REST BREAK**, team switch goals and a five-minute “sudden victory” period is played. If, at this time, the score is still tied, kicks from the penalty mark (using FIFA rules) will be used to determine a winner. In semi-final and championship penalty kick situations, only players on the field at the end of second sudden victory time period may participate in the penalty kicks.

In the event of ties at the end of the **championship round game**, winners will be determined as follows:

1. Two (2) ten-minute overtime periods (two (2) five-minute periods for U10) will played, both mandatory, with a five-minute rest period between halves.
2. Penalty kick elimination – Only players on the field at the end of the second overtime will be eligible for penalty kicks.

NOTE: ALL preliminary game scores count toward the final standings, even if they are out of your bracket.
